RESPONSE

RECEIVED DEC 1 1997/ GROUP 1800

Sir:

In the Office Action dated November 12, 1997, the Examiner reunited Groups I and II of the restriction requirement made on July 8, 1997. In addition the restriction was made final.

The Examiner alleged that Applicants had failed to elect a Group in response to the July 8, 1997 restriction requirement. However, Applicants note that they had elected Group I, claims 1-23 with traverse (see, October 2, 1997 response at page 2, lines 5-6).

In view of their previous response and the restriction now made final, *Applicants* reiterate their previous election of Group I, with traverse. The arguments presented in the October 2, 1997 response being incorporated herein by reference.

As Group II has been reunited with Group I, it is Applicants understanding that Group I, claims 1-23 and reunited Group II, claims 24-38 and 42 are presently under consideration.
